Hello Mr. Green...

Contact with you is being made because my old notes show you are V.P. for club. Many of your members belong to our association and use WSI (Waste Services) for trash collection.

USEM has obtained an agreement with WSI to provide free recycling service to all members. Unfortunately, there was a mix up at WSI and some recycling bins were delivered before schedule mailing of notice. I learned of this situation when a few from the Bayou Club called me. A special mailing from USEM announcing the program should be mailed next week.

If possible, can you email your members advising of the situation. Please ask them to keep the bins for future use. Thank you for taking the time and trouble to assist.

Dot Miller
