IMPORTANT NOTICE

Those of you who read the Bayou Chat already know that there have been at least two burglaries in the Bayou Club Community recently. The latest incident occurred over the past weekend. The authorities were notified and investigations are being conducted.

Bayou Club residents are reminded to be sure that you lock your doors at night and when you are away from home. If you have a security system be sure it is activated at night and when you are away from home.

The current economic climate coupled with the fact that access by outsiders is available from the adjacent golf course property makes the Bayou Club an enticing target to burglars and thieves.

THINGS YOU CAN DO NOW

- **ALWAYS ACTIVATE YOUR SECURITY SYSTEM AT NIGHT AND WHEN YOU ARE AWAY FROM HOME.**
- **BE SURE TO LOCK ALL EXTERIOR DOORS, SLIDING GLASS DOORS AND GARAGE DOORS AT NIGHT AND WHEN YOU ARE AWAY FROM HOME.**
- **USE YOUR EXTERIOR LIGHTING, ESPECIALLY ON THE BACK OF THE HOUSE.**
- **CALL 911 AND REPORT ANY SUSPICIOUS ACTIVITY OR PERSONS TO THE SHERIFF'S OFFICE IMMEDIATELY.**
- **IF YOU ARE AWARE OF INCIDENTS WITHIN THE COMMUNITY NOTIFY THE MANAGEMENT OFFICE SO WE CAN SHARE THE INFORMATION WITH THE COMMUNITY AND REMIND RESIDENTS TO BE VIGILANT AND TAKE THE STEPS NECESSARY TO PROTECT THEIR PROPERTY.**
