Friday December 12, 2008

**NOTICE**

**Street Signage**

The new street name and traffic control signs are being installed today. Be aware that the number of stop signs on Bayou Club Boulevard has been reduced. All the new signs are MUTCD compliant making the Bayou Club "street legal". The new street name sign locations may have changed in some instances. The signs themselves are reflective and the inclusion of the Bayou Club logo adds a touch of class to the community. The speed limit in the community has increased to 25 MPH which will continue to be enforced by Weiser Security Services with the use of radar.

**Gate Procedures**

Upon the recommendation of the Bayou Club Community Traffic and Safety Committee Weiser Security Services will request a picture ID to verify residence from any resident who arrives at the front gate in a car without a barcode. Please be aware that if you arrive at the front gate in a cab, limo, rental car or as a passenger in someone else's car you will be asked to show identification.

**Want to Save Money on Garbage Collection?**

We recently received several inquiries from the community referencing ways to reduce the cost of garbage collection and take advantage of recycling opportunities. Information is just a click away. Go to our community web-site [www.bayouclubcommunity.org](http://www.bayouclubcommunity.org) and click on *USEM-CA Way to Save \$\$\$* and discover how to save as much as \$50.00 per quarter on garbage collection.
